Agenda

Group-N WellSpace

Date: April 26, 2024
Host: Nilangi
Agenda Author: Nilangi
Minutes: Garnet

Attendees:
Li-Ting Liao
Nilangi Edirisinghe
Siyu Ni
Vishal Dixit
Yuyue Chang (Garnet)

From the Previous Client Meeting:

- Modifications to the Home Page were suggested.
- The need to create Login and Sign up pages was pointed out.

What was undertaken by the team since the previous meeting during the break:

Front-End

The front end pages were divided among the front end group members.

Nilangi – Further modifications to the home page, Creation of Login/Signup pages, Creation of the Blog and its subpages, Creation of Information Page.

Vishal – Creation of Booking Page

Garnet – Creation of Challenges Page

Back-End

Li-Ting and Siyu Ni have created the relevant APIs and Database for Login, Sign-up, Booking, Blog, Feedback and Challenges.

Progress:

Authorization: covers user authentication and registration.

User: details on retrieving user accounts.

Doctor: accessing and managing doctor profiles.

What would be presented:

- Modified Home Page, Front end of Blog, Information Page, Front end of Login and Signup.
- Any progress made in the Booking page and Challenges page.
- Backend design and database will be presented.
- The reflection on Milestone 1 plan.
- The integration of front-end pages with backend are expected to take place by or after the 3rd of May as discussed by the team.

Questions to be asked:

- How to improve the User Interface and Design of Blog.
- Feedback on all the front-end pages.
- Do we need to create a page for expert profiles?
- What other pages do we need to prioritize for Milestone 2.
- Advice on what would be feasible for Milestone 2.

Note:
- Next meeting is scheduled for 3rd of May, Friday at 10 am.
